

Unique upgrade opportunity for OEM Patio Door Manufacturers

Elevate your business as a Window and Door Fabricator by joining forces with Centor!

By incorporating our state-of-the-art Replacement Folding Door into your product line, you have the opportunity to seamlessly integrate it with your existing sash profiles. This strategic partnership not only taps into a rapidly expanding niche market but also potentially will boost your profits and secure more sales.

Our Centor frame and hardware system revolutionizes the Replacement Folding Door experience, allowing it to be seamlessly promoted for the same openings traditionally reserved for replacement sliders.

The best part? No special construction considerations are needed. It's a hassle-free enhancement that transforms your offerings and sets you apart from the competition.

Imagine the lifestyle upgrade you can provide to your customer! The Replacement Folding Door from Centor opens the door to a world of possibilities, offering a stylish and functional solution for inside-outside living that also effortlessly blends with your existing product range.

Don't miss out on this opportunity to redefine your business, captivate your market, and elevate the lifestyle experience for your customers. Join with Centor to unlock a new era of innovation and success!
